## The perfect blend *for any home*

Homeblend seamlessly combines the principles of classic woodworking with artisan design techniques to create bespoke products that redefine the art of woodcraft. Our timeless designs are inspired by classical concepts yet incorporate a modern, minimalistic approach to create a unique blend of traditional and contemporary aesthetics. With unwavering dedication to using only the finest materials, we ensure that each piece is not only beautiful but also durable and long-lasting. Be it a striking dining table, a comfortable chair, or a sleek cabinet, each HomeBlend piece is guaranteed to elevate any space with its natural warmth, understated elegance, and exceptional craftsmanship.

*Our timeless designs*  
are inspired by classical  
concepts

# Sophistication through *simplicity*

At Homeblend, we believe that the essence of wood is more than just a material. It's a subtle, warm and radiating presence that can truly transform a living. That's why we're committed to delivering unparalleled quality wooden furniture that truly uplifts your home. From the first spark of inspiration, through sustainable material sourcing, and meticulous design, to skilled woodwork, we work with passion and an appreciation for the natural beauty of true materials. Our artistry ensures that every detail is preserved and enhanced, resulting in authentic pieces that are not only beautiful, but also durable and long-lasting.

*The result of such an approach  
is unparalleled quality wooden  
furniture that uplifts your space*

## A touch of *pure wood*

We believe design speaks more than just aesthetics – it needs to be practical, adaptable, as well as to impress and to inspire. To that end, we thoughtfully design every piece to have a personality and purpose. We carefully assess any curve, line, surface, or corner to bring an authentic but familiar note to your home.

Style is nothing without substance, and practicality is every bit as important as aesthetics. We use premium, durable materials so that our products can last for years without compromising on their integrity.

A still life photograph of a round wooden table. On the table, there is a white ceramic vase filled with dried, golden-brown flowers. To the left of the vase is a black candle holder with a single white candle. In front of the vase are two stacked, rustic wooden plates. To the right of the table, a wooden chair with a spindle back is partially visible. The background is a solid, muted blue-grey color. The lighting is soft and directional, coming from the left, creating gentle shadows and highlighting the textures of the wood and the dried flowers.

## Uncompromised *Integrity*

All of our furniture pieces are crafted from the finest selection of premium and long-lasting materials. Built to endure the test of time, they guarantee years of unwavering performance without the slightest compromise to their integrity.

Products

## Dining chair

Combining impeccable craftsmanship with premium materials, this dining chair embodies the perfect fusion of comfort, practicality, and sheer elegance. Every intricate detail has been meticulously fashioned from solid wood, lending it a seamless, natural aesthetic while ensuring unparalleled durability. The wooden legs not only guarantee stability but also offer practicality, while the gracefully arched backrest provides comprehensive support and unwavering comfort.

Blending traditional design with contemporary elements that harmonize with modern lifestyles, this chair seamlessly complements any interior. Skillfully handcrafted from a selection of oak, steamed walnut, or ash, it provides a range of options to choose from, allowing you to find the perfect combination for your home.

### **MATERIAL**

and premium materials

## Dining chair with armrest

Made of pure wood, this dining chair is specially designed to provide comfort and enjoyment, filling the space with a recognizable aesthetic. The finely crafted seat is perfectly balanced by wooden legs that give it a traditional character and increase stability. However, the trademark of this chair is its armrest, giving it a distinctive silhouette and fostering practicality.

With its original concept, this piece ideally combines a traditional wooden chair with contemporary design principles, giving it universality in the interior. By choosing oak, ash, or steamed walnut, you will authentically transform your dining room, making it evergreen in style and sophistication. One chair will intrigue the room, the whole set will ennoble it, and the ideal combination will permanently turn it into a masterpiece of modern life.

## Our commitment

At Homeblend, we hold deep respect for natural materials and use pure wood as a core material in our crafts. We believe that wood infuses every space with a sense of peace, liveliness, warm light, and sophistication. That's why we source all of our raw material from the purest woods and transform it into exquisite pieces while putting all our efforts into preserving its natural grace in your home.

We are aware of the impact of wood sourcing on the environment and are making a conscious effort to respect and care for the natural resources we have been given. We actively contribute to how the forests are managed in a way that ensures the long-term health and sustainability of the forest ecosystem.

Our distribution centers and suppliers hold the prestige Forest Stewardship Council (FSC) certificate for responsible forest management, which is recognized as one of the most rigorous and credible certification systems for wood sourcing.

The FSC is an international non-profit organization that promotes responsible management of the world's forests. By sourcing wood with an FSC certificate, we commit ourselves that the wood comes from responsibly managed forests that meet rigorous environmental, social, and economic standards.

These standards ensure that the forest is managed in a way that preserves biodiversity, protects the rights of workers and indigenous people, and ensures that the forest can continue to provide economic benefits to local communities.

## How to take care of our furniture

### *Oak*

Taking care of furniture made from pure oak is essential to maintain its natural beauty and durability. Here are our recommendations for keeping your oak furniture impeccable for many years to come:

- ◆ Dust your oak furniture regularly with a soft, dry cloth to prevent the buildup of dirt and dust.
- ◆ Clean up spills immediately using a damp cloth.
- ◆ Avoid placing your oak furniture in direct sunlight or near sources of heat, such as radiators or fireplaces.
- ◆ Use a wood cleaner specifically designed for oak furniture to keep it clean and nourished.
- ◆ Avoid using harsh chemical cleaners or abrasive materials that can damage the surface of the wood.
- ◆ Consider applying a coat of wax or oil to protect the surface of your oak furniture and give it a nice shine.
- ◆ Use coasters or placemats under drinks and dishes to prevent water rings and stains on the surface.

## How to take care of our furniture

### *Steamed walnut*

Furniture made from steamed walnut is a beautiful and durable addition to any home, and proper care is important to ensure its longevity. Here are our recommendations for regular cleaning and maintenance:

- ◆ Avoid exposing your furniture to direct sunlight or heat sources, as this can cause fading or warping.
- ◆ Dust your furniture regularly with a soft cloth to prevent the accumulation of dirt and dust.
- ◆ Use a high-quality furniture polish or wax to maintain the natural shine and protect the wood from scratches and wear.
- ◆ Avoid using harsh chemicals or abrasive cleaners, which can damage the wood's natural finish.
- ◆ Use coasters or placemats to protect the surface from spills and stains.
- ◆ Avoid placing heavy objects on the furniture or using it for unintended purposes, as this can cause damage over time to prevent water rings and stains on the surface.

## How to take care of our furniture

### *Ash*

Furniture made from pure ash wood has a beautiful grain pattern and exceptional durability. However, to keep it looking its best, you should take care of it regularly. Here are our recommendations:

- ◆ Dust the furniture regularly with a soft cloth or feather duster to prevent the accumulation of dirt and debris.
- ◆ Avoid exposing the furniture to direct sunlight or heat sources, which can cause the wood to warp or fade.
- ◆ Apply a furniture polish or wax periodically to protect the wood and enhance its natural shine.
- ◆ Use coasters, placemats, and tablecloths to protect the surface from scratches and stains.
- ◆ Avoid placing heavy objects or using abrasive cleaners that can damage the surface.
- ◆ Keep the furniture away from damp areas to prevent moisture damage.
- ◆ Avoid placing the furniture in areas with high humidity levels or exposure to moisture as it can cause warping or cracking.
- ◆ Use a mild cleaner and a soft cloth to clean any spills or stains on the furniture.

## How to take care of our furniture

### *Metal components*

To take care of metal legs on furniture, it is important to follow these few simple steps.

- ◆ Regularly wipe down the legs with a soft, dry cloth to remove any dust or dirt.
- ◆ For tougher stains, use a gentle cleaner specifically designed for metal surfaces.
- ◆ Avoid using harsh chemicals, such as mineral acid, bleach or chlorine, or abrasive materials that can scratch or damage the metal.
- ◆ When placing furniture, it is important to protect the legs from moisture and humidity, which can cause rust or corrosion.
- ◆ Consider using felt pads or rubber stoppers on the bottom of the legs to prevent scratches on the floor.
- ◆ Avoid placing the furniture in direct sunlight or near heat sources that can cause the metal to expand and contract.
- ◆ For extra protection, apply a coat of wax or a protective spray to prevent corrosion and rust.

## How to take care of our furniture

### *Marble and stone*

Marble furniture is elegant and adds a touch of luxury to any room. However, it requires proper care and maintenance to keep its shine and durability. To take care of your marble furniture, we recommend the following:

- ◆ Avoid placing hot items directly on the surface, as this can cause cracking or discoloration.
- ◆ Clean up any spills immediately to prevent stains.
- ◆ Use a soft, damp cloth to wipe the surface regularly.
- ◆ Avoid using acidic or abrasive cleaning products, which can damage the surface. Instead, use a pH-neutral cleaner specifically designed for marble
- ◆ Regularly dust the surface with a soft cloth or duster.
- ◆ You can also apply a sealant to protect the marble and prevent stains from seeping in.

## How to take care of our furniture

### *Fabrics*

Taking care of upholstered furniture made from fabric requires regular maintenance and cleaning to keep it looking good and extend its lifespan. Here are our recommendations for keeping your upholstered furniture looking exceptional and in good condition for years to come:

- ◆ Vacuum regularly to remove dust, dirt, and debris from the fabric. Use the upholstery attachment to avoid damaging the fabric.
- ◆ Blot spills immediately with a clean, dry cloth to prevent them from setting into the fabric.
- ◆ Use a fabric cleaner specifically designed for upholstery to remove stains and spills. Follow the instructions carefully and test the cleaner on a small, inconspicuous area before using it on the entire piece.
- ◆ Rotate cushions and pillows regularly to distribute wear and tear evenly.
- ◆ Protect the fabric from sunlight and heat to prevent fading and discoloration.
- ◆ If the pilling occurs, we recommend using a special pilling machine.
- ◆ Machine washing of cushion covers is not recommended, as it will lighten the color and shrink the fabric.

## General instructions

- ◆ This product is intended for indoor use only.
- ◆ Do not place your furniture in direct sunlight, to prevent discolorations.
- ◆ Avoid exposing your furniture to extreme conditions, such as heating sources or air conditioners.
- ◆ Prevent staining by removing any spills immediately.
- ◆ Use placements or coasters when placing any hot pots or pans, or cold glasses and bottles.
- ◆ Always lift the furniture when moving, do not drag the furniture on the floor.
- ◆ Ensure that water and solutions used to clean the floor do not come in contact with the furniture, as it might leave a permanent mark.
- ◆ Ideal room temperature: between 14°C/57°F and 21°C/70°F.
- ◆ Recommended humidity in the room: between 40% and 60%.
